Wealthy countries have repeatedly failed to meet the **\$100 billion climate finance target** for the countries worst affected by climate breakdown.

Meanwhile, in **2023 military spending** rose for the ninth year in a row, to a record high of **\$2443 billion**.

Let's invest in building a safe and just world in the long-term, not in militarising the planet. Join people around the world during this Week of Action in saying

Divest from war – invest in climate justice!
